

Miguel Fernandez**Chief Executive Officer, Transtelco**

Miguel Fernandez serves as CEO of Transtelco, a telecommunications carrier established in 2001. The company is one of a very few telecommunications service providers that cover both the U.S. and Mexico border states. In this position Mr. Fernandez is responsible for the implementation of the strategic goals and objectives of the organization.

Mr. Fernandez graduated from University of Texas at El Paso in 1998 with bachelor's degree in Business Administrations with a concentration in Finance.

The word "hub" is displayed in a large, lowercase, yellow, rounded font. The letters are thick and have a soft, rounded appearance. The 'h' and 'b' are connected at the bottom, and the 'u' is also connected to them. The overall style is modern and clean.
